## SUMMARY

As a BSc Computer Science graduate, I'm excited to embark on my journey as Web Developer. With proficiency in HTML, CSS, Bootstrap, JavaScript, and jQuery, Wordpress, PHP I have a solid grasp of web technologies. Additionally, my expertise extends to design tools such as Photoshop and Figma, along with experience using GitHub for version control. I am adept at implementing responsive design principles to ensure websites perform optimally across various devices and screen sizes. I'm dedicated to leveraging these skills to develop engaging websites and deliver innovative digital solutions.

## INTERNSHIP

During my internship at Branups, which concluded in July 2024, I successfully delivered some projects by leveraging my expertise in HTML, CSS, and WordPress. I applied my Photoshop skills to tasks such as image resizing, background removal, color contrast adjustments, and other related activities. My responsibilities included handling plugins, utilizing form processing methods, and customizing themes. Some projects were initially developed locally and later deployed to live servers. I also communicated directly with clients to gather requirements and ensured the seamless completion of each project.

## EDUCATION

### Bachelor of Science in Computer Science

[Devanga Arts College], [Aruppukottai, Virudhunagar]

Graduated: June 2022

CGPA: 6.65

## SKILLS

- HTML
- CSS
- Bootstrap
- JavaScript
- JQuery
- GitHub
- Photoshop
- Figma
- Wordpress Developer
- PHP
- UI/UX
- Web Design
- Front-end Developer
- Strong problem-solving
- Attention to detail
- communication and collaboration

## CERTIFICATION

### Figma | Guvi

Date Earned: January 18, 2024

### Communication | Edyoda

Date Earned: June 25, 2023

### JavaScript | Guvi

Date Earned: December 12, 2022

## PORTFOLIO

[krishna-krrish.github.io/My\\_Portfolio](#) - I used HTML, CSS, and JavaScript.
